

## Business Administration

Sabrina Redjaian

Submitted by Daniel Spitz

Sabrina is the first and only student I have taught to have finished with the highest grade in two different sections - BUS101 (Introduction to Business) and BLAW101 (Business Law). Sabrina is a brilliant, well-rounded student who has consistently demonstrated excellence in all of her academic work. She has an incredibly bright future ahead and is a deserving recipient of the Outstanding Student Award. Congratulations to Sabrina on this outstanding achievement!
